Date: May 28, 2018 (Monday)

Time: 2:30 - 3:30pm

Venue: Room 210, Run Run Shaw Bldg., HKU

Abstract

In this presentation, the speaker will first talk about several important components of graduate school application in math related fields. These involve a detailed discussion on the standard tests including GRE and TOEFL tests. The speaker will then provide a few sample time frames of preparation from past students. Finally, some tips and reference resources will be presented.
