Numerical Mathematics and Applied Analysis Group Seminar (NMAA)

Management • Numbers • Career • Life**(管理 • 數字 • 職業 • 人生)***by***Mr. Desmond Sam**

on Wednesday, March 22, 2006 at 3:00p.m.

in Room 207, Run Run Shaw Building

(conduct in Cantonese)

Abstract

I will share my job responsibilities, career planning, networking and life coaching.

A brief background of Mr. Sam:

- A professional staff of a government department
- Past responsibilities: releases of economic indicators, departmental IT strategy and management, etc.
- A graduate of the HKUST
 - First honour in BBA (Operational Management)
 - An exchange student to the University of Toronto [one of the six undergraduates in the first batch]
 - Founding president of The Duke of Edinburgh Award (currently called The Hong Kong Award for Young People) User Unit in the HKUST, first of its kind in local universities
 - A recipient of Outstanding Service Award
 - Honourable Advisor on Career Education
 - Confluence Partner/Mentor
- *Further information*
 - MSc (Finance) – CUHK
 - Knowledge Management Diploma
 - Over 20 years in scouting
 - Active participation in the Hong Kong Outstanding Tertiary Students' Services Association — a not-for-profit social service organisation formed by students and graduates of local tertiary institutions www.hkotssa.org.hk

All mathematics students are welcome
