THE UNIVERSITY OF HONG KONG

Applications are invited for the following post:

Teaching Assistant in the Department of Mathematics (Ref.: 497079) (to commence on August 15, 2019 or as soon as possible thereafter for one year, with the possibility of renewal subject to satisfactory performance)

Applicants should possess a Master's degree or above in Mathematics, Operation Research, Computer Science or a related field. Preference will be given to those with a doctoral degree and with experience in teaching neural network, deep learning and pattern recognition. The appointee will assist in delivering courses at undergraduate and/or postgraduate level(s), and provide general administrative support to the Department.

A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leave and medical benefits.

The University only accepts online application for the above post. Applicants should apply online at the University's career site (<http://jobs.hku.hk>) and upload a covering letter together with an up-to-date C.V. Review of applications will commence as soon as possible and continue until **July 22, 2019**, or until the post is filled, whichever is earlier.

The University is an equal opportunities employer and is committed to equality, ethics, inclusivity, diversity and transparency.
