Distinguished alumni Professor Michael Kwok Po Ng and Professor Chi-Kwong Li

Our distinguished alumnus **Professor Michael Kwok Po Ng** of Hong Kong Baptist University has been elected as a Fellow of the American Mathematical Society (2025) for his outstanding contributions to the mathematical sciences and his extraordinary service to the profession.

(http://www.ams.org/grants-awards/ams-fellows/ams-fellows).

Professor Chi-Kwong Li, our distinguished alumnus from the College of William and Mary in USA, has been awarded the Hans Schneider Prize of the International Linear Algebra Society, for his substantial contributions to several areas of linear algebra, including matrix analysis, operator theory, quantum information theory, and combinatorial matrix theory.
