

追思 《江城子》

畢生鍾愛豈能忘 苦思量 獨徬徨
晚來淒雨 伴我淚千行
猶記床前兒女願 慈父話 繞屋梁
夜深無語道滄桑 淚盈眶 透心傷
陽關別後 何處論家常
思念萬般心坎掛 情怎說 訴天蒼

Memory

*A life full of love and care;
memory we'll always share.
Deep inside me I keep searching.
Alone, I'm left contemplating.
Wind and rain came roaring out there,
a man in tears accompanying.*

*Children you couldn't leave behind
all gathered by the bedside.
Your kind words kept hovering,
as if they would never subside.*

*Deep into the long and silent night,
there weren't words for your lonely plight.
All is left to your eyes in tears,
to tell of your heartbreaking fears.
At the crossroads we said goodbye,
where again could we share the cheers?*

*Thoughts of a thousand kind
were left hanging in my mind.
Where could I ever spell them out,
if it weren't to the heavenly sky?*
